## IMPORTANT INFORMATION

Please have a quick read through the policies and procedures we have set up to help things run smoothly for customers and staff alike. Please feel free to email or call us if you have any questions. For the most efficient service please book online via our website. Alternatively please feel free to telephone or email us but please be aware that we do not have a full time receptionist. If we are busy doing treatments please leave a message, we will get back to you as soon as we possibly can.

An email and/or SMS reminder will be sent to you 24 hours before your appointment. If you need to cancel or reschedule please let us know as soon as you possibly can as we often have a waiting list for appointments. A charge will be made for appointments cancelled with less than 24 hours' notice and a higher charge will be applied to no shows to cover the cost of our time.

In order for us to offer the best possible service to all of our customers, please try to be punctual to your appointment. If you are late we may have to cut short or cancel your treatment and will charge accordingly. There is no parking on site but some free parking is available in the street outside (please note white boxes are limited to 1 hour before 6pm) and there is a village car park less than 5 minutes' walk away, located between the roundabout and the traffic lights.

For the comfort and well-being of all our customers, we do ask that young children are not brought into the salon if possible and if they are, they must be supervised by yourself at all times for their own health and safety. Anyone having treatments under the age of 16 must be accompanied by a parent or guardian. Many treatments are restricted on health and safety grounds and for insurance purposes to over 16s or over 18s, please ask for more details.

Patch tests are required for certain treatments on health and safety grounds and for insurance purposes. They must be carried out at least 24 - 48 hours before your first appointment at Tilly Rose even if you have had similar treatments at other salons. They must also be carried out if it has been more than 12 months since your last treatment with us or if you have had any change in your medical history. Failure to arrange and turn up for a patch test will result in your appointment being cancelled by ourselves. We will let you know on booking if a patch test is required for your treatment.

Please make us aware of ANY medical conditions you may have and medications or supplements you are on during your initial consultation with us and before any subsequent treatments should anything change. These details will of course be treated with strictest confidence but can have an adverse effect with certain treatments/products so it is extremely important for your own safety and wellbeing that you let us know.

We reserve the right to refuse treatment to anyone on grounds of medical contraindications or age if we feel it would be unsafe or unsuitable to do so but will offer alternative treatments wherever possible. Also on the grounds of health and safety we will refuse to treat anyone who appears to be under the influence of drugs or alcohol. Anyone displaying aggressive or abusive behaviour to our staff or customers will also be refused service.

Prices are correct at time of publishing. We reserve the right to update these at any time without given notice.

*Kind regards, The Tilly Rose Team xxx*
